ARTIFICIAL CHRISTMAS TREE NATURAL WHITE FROSTED PINE

An exceptional Christmas decoration. Artificial Christmas tree Natural White Frosted Pine is a classic model of the tree, whose branches have been gently draped with a pale gray glitter. This Christmas tree is characterized by a thick and nice to the touch needle. It's perfect for any interior.

MATERIAL

In the production of our Christmas trees we used the highest quality self-extinguishing PVC film, which is resistant to UV rays, humidity and temperature changes. Needles keep their color and shape for a long time.

STORAGE

An artificial Christmas tree from FairyTrees should be stored in a special bag or carton and in a room with an ambient temperature of up to 25°C (77°F), such as is in a basement or a garage.
